NUMBER 1

## More Than 750 Are Enrolled In S. T. C. Classes

Registration is Largest of Any Fall Term in School's History—Conservatory Figures Incomplete—Many Changes in College Faculty Since Last Spring.

Indications now point to an enrollment for the fall term of considerably more than 750, the largest number we have ever had for any previous fall term. Last Friday Mr. Rickenbrode's office showed an enrollment of 684 students in the College proper, not including the music students. Last fall there were 85 music students with duplicates counted out. With an equal number of music students this quarter and there probably will be more, our enrollment will be 769. The total registration for the fall term last year was 723.

The Conservatory figures have not been compiled yet as it takes some little time to check out the duplicates of students registered there and also in the College.

Several changes in the faculty have been made since last fall. Eleven old members are either on leaves of absence or have resigned to take positions elsewhere. Mr. Miller is spending the next year on his farm in the Ozarks. Mr. Cooper is going to Harvard, Miss Fisher is at Columbia University at New York, and Miss Toogarden is en route to Syria. Mr. Partell is continuing work on his Doctor's degree at Harvard. Mr. Richman is teaching at the Iowa State Teachers College at Cedar Falls. Mr. Stanfield, Miss Bass, Miss Martin, Miss Paxton and Miss Briggs have resigned to enter work elsewhere.

The Conservatory of Music has three new faculty members this year. Mr. Bernhard Bronson will teach voice. He comes to us from Simpson College, Iowa, where he has been the past four years the head of their voice department. His chief training has been under private teachers. His experience includes besides the four years at Simpson, private studio work at Milwaukee, three years at Marquette and one year at Howard Payne Brownwood, Texas. Mr. Bronson has had notable results as a voice builder.

Mr. Hickernell is our new band director and instructor of wind instruments. He brings to the College many years of successful experience as a player, teacher, and conductor. He has been a member of Kyril's, Pryor's, and Carleton Kilb's Bands. He taught wind instruments in Skillman, New Jersey, six years and comes to us after ten years as head of the wind instrument department of the Conservatory at Grinnell College. He conducted the Municipal Band at Harrisburg, Pa. and a Pier Orchestra at Asbury, New Jersey for six summers. Mr. Hickernell will have charge of the College band and orchestra.

Miss Helen Dvorak comes to us as instructor of stringed instruments. She is one of the outstanding younger violinists of Chicago and comes with strong recommendations. Miss Dvorak, has had ten years of teaching experience, including employment at the North Shore Conservatory, Chicago, and the South Dakota State College. She has completely covered the United States in her concert work.

Miss Daisy L. Countryman is the new instructor in the home economics department. Miss Countryman has her A. B. from the Iowa State College, her B. S. from Ames, and her Masters from Des Moines University where she has been teaching the past year.

Miss Lenore S. Fox is in the physical education department. She has her A. B. from the University of Kansas and has done graduate work at the University of Wisconsin. She taught in the Wichita High School, Wichita, Kansas last year.

Miss Annie Mather is the new social director of Residence Hall. She has her A. B. from Eastern College, Manassas, Virginia and for eleven years was manager of a women's dormitory at Homer Hall at St. Louis.

Miss Ruth Jean Souter is teaching primary work in the education department. She has her A. B. from the Iowa State College and her Masters from Columbia University. Miss Souter comes here from Indiana, Pa., where she was engaged in similar work in the Indiana State Normal.

Miss Dykes visited for a week this summer with Mrs. N. B. King, Canon City, Colorado, who was formerly Miss Mary Hughes, a teacher in the education department some years ago. She is teaching psychology and Bible in the schools of Canon City.

## NEW PERSONNEL ANNOUNCED FOR WELFARE COMMITTEE

The Student Welfare Committee is made up of ten members this year instead of nine as it formerly was. The Dean of Women is its chairman. The Committee wishes to look after the well-being of the students from all points of view; physical, mental, moral, and social. The personnel is as follows: Dean Barnard, Mrs. Perrin, Miss Dow, Miss Hopkins, Miss Manley, Miss Bowman, Mr. Wilson, Mr. Cook, Mr. Jones, and Mr. Withington.

## Dan Cupid Toils During Vacation As Others Rest

Matrimonial Magnate Finds S. T. C. Body a Fertile Field for His Activities and Closes Thirteen Contracts Which Have Been Hanging Fire—Several of Newly-Weds Are Back in School.

Everybody took a vacation during August but Cupid and he seemed to be working on the student body harder than ever. At least he made a high record for the month in closing negotiations that had been hanging fire here at the College for some time. "Read 'em and weep," some would say, but here is the list.

**Davidson—Carr**  
Miss Elsie Marie Davidson and Doy Carr, both of Sheridan, were married September 1 at Bedford, Ia. Both Mr. and Mrs. Carr are in school this quarter.

**Martin—Barton**  
Miss Opal Martin of Fairfax, a student of the College the past two years, and Myrtle Barton of Shenandoah were married September 9 at Fairfax, Mo.

**Carter—Akars**  
Miss Gladys Carter of Maryville, and Mr. Akars of Trenton, both former students of the College, were married September 9 at Trenton, Mo.

## New Gymnasium Is Used For Class Work

The new gymnasium is now being used although very little equipment has arrived. Much equipment has been ordered and should be here within the next two or three weeks.

All gym classes, both for men and women are meeting in the new gym and also the swimming classes. It is planned to hold a formal opening later in the fall and also dedicatory program.

**Read Your Home Paper**  
Did you know that every newspaper in Northwest Missouri and thirty-two from Southwest Iowa are received in the library. The College subscribes to these papers in order that you may read your hometown paper weekly and keep informed on the happenings at home. The papers are filed by counties in the southeast corner of the library. If you can't find them ask a librarian.

## Lettie Wagenblast Is New W.A.C. President

The Women's Athletic Association held its first regular meeting Thursday, September 17 for the purpose of reorganization.

The following officers were elected: President, Lettie Wagenblast; Vice President, Rozella Froman; Secretary, Mae Gannon; Treasurer, Willetta Todd; Green and White Reporter, Ethel Blomfield.

They have secured a club room in the new gymnasium. Plans were discussed for raising funds for the furnishing of this room.

## Social Advisors Named Permanently For Classes

A change in the policy of social advisors for the four classes was announced at assembly Wednesday by President Lamkin. The social advisor, as in the past, will be chosen by each class, but the one chosen will act in that capacity during the entire college career of the class instead of for only one year as in the past. This means that the freshman advisor will act in that capacity for four years, or until that class is graduated.

The business advisors will remain the same. These are: senior, Miss Dykes; junior, Mr. Wilson; sophomore, Mr. Loomis and freshman, Dr. Keller.

Mary Busby and Etta Suetterlin are teaching at Skidmore.

## Classes Elect Their Officers For This Year

Grace Graves Chosen To Head Seniors—Burdette Yeo Will Lead Juniors and Morris Chick Will Direct the Sophomores—Freshmen Officers Not Named—Juniors Elect Their Tower Staff.

Grace Graves was elected president of the senior class at its meeting last Friday. The other officers elected were as follows: Vice president, David Max; secretary, Donald Gibson; treasurer, Louise Freeman, Miss Dow was chosen as social adviser for the coming year, and Grace Foster was elected Courier reporter. The Student Council representative will be chosen at the next meeting.

Sixty-nine members of the class were present and cast their vote. According to all indications the 1926 senior class will be one of the most successful classes ever graduated from S. T. C.

**Yeo Named Junior Head**

Burdette Yeo, president of last year's sophomore class, has been re-elected and will head his class in its junior year. At the meeting held Sept. 11, Fred Street was named vice-president, Jewell Goss, secretary and Homer Williams, treasurer.

Last Friday the class met and elected the Tower staff for the coming year. Elizabeth Mills was chosen editor-in-chief at the close of the spring term. The following members of the staff were chosen: Assistant editor, Ned Colbert; business manager, Fred Street; organization editors, Dorothy England and Mervin McNulty; class editors, Mayrell Laughlin and Doy Carr; art editor, Alice Dadds; men's athletic editor, Clarence Bush; women's athletic editor, Rozella Froman; activities, Marie Chandler and Merline Warehime; feature editors, Jewell Goss and H. D. Williams.

The names of Mae Gannon, Verna McNulty and Doy Carr were chosen to be submitted to the welfare committee for Student Council representatives.

**Chick to Lead Sophomores**  
At the first meeting of the sophomore class Morris Chick was elected president. Dorr Ewing was named vice-president, Dorothy Dow, secretary, treasurer and R. Chaire Slonecker was chosen Courier reporter. Last Friday the class met again and chose Miss Manley as its social sponsor and elected Fern Alley as Student Council representative. Much interest was shown at the meetings and many activities are being planned by the class for the year.

**Freshmen Haven't Organized**  
The meeting of the freshman class was held Friday at 2:20 in the auditorium with Dr. Keller, the business adviser. It was a get-acquainted meeting. The students elected two yell leaders, Ruby Grady, Marysville and Pascal Monk, Burlington Junction. They made plans for discussing special subjects at a later meeting. They also planned to elect officers and the social adviser at the next meeting.

Tessie Degan is registrar and secretary to the president of the Adams State Normal School where Mr. Ira Richardson formerly President of S. T. C., is now president.

## Residence Hall Girls Elect Their Officers

The Student Organization at Residence Hall held its second house meeting of the year Wednesday night, Sept. 16. The chief business of the evening was the election of officers, which are as follows: President, Fay Townsend, Savannah; Vice president, Lorene Bruckner, Agency; Treasurer, Grace Graves, Fairfax; Secretary, Hazel Brown, King City; Amber Stoner, Ridgeway, senior representative to the council; Loyola Atwood, Darlington, junior representative; Pauline Manchester, Skidmore, sophomore representative; Lucille Cole, Barnard, freshman representative. Miss Manchester is the only member of the executive board for this year who was on the board last year.

The Student Organization of Residence Hall held its first regular meeting of the year, Wednesday evening, September 9. Miss Stowell talked to the girls about the value of the organization, telling what it had done in the past, and outlining some of the possible future work. A committee consisting of Lorene Bruckner, Helen Pixler, Mary Wray, Elsie Brown, and Louise Freeman, was appointed to nominate officers for this year.

## How Do We Trim Them This Year?

"Lives of all great teams remind us, We can make our team supreme."

## High School 11's Prepare To Open Grid Season Soon

Coaches of N. W. Mo., Complete Schedules at St. Joseph Meeting—Class A Schools Form Inner Organization of Association—Courier Gets Many Schedules.

Practically every high school in Northwest Missouri that plays football was represented at the meeting of the Northwest Missouri High School Association held at the Robidoux Hotel, St. Joseph, Saturday, September 12.

In the morning a meeting of the class A schools was held. Last spring these schools met to organize according to their minutes, "In order to bring about stronger competition; organize better, in order to bring about better co-operation; to make no move detrimental to the best interests of the Northwest Missouri district, and to co-operate with it in every way possible."

"High Schools enrolling more than 250 students are eligible to membership in this class A department. The Green and White Courier was designated as the official organ of the Association and the standings of the team will be published weekly. However, there will be no championship awarded in this class, as in class B. At least four games of every class A school must be with schools of its own rating."

The following schools are members of the class A department of the Association: Chillicothe, Cameron, Liberty, Excelsior Springs, Maryville, Richmond, Trenton, Carrollton, St. Joseph Central, Benton, Lafayette and Robidoux. A. G. Sanford of Trenton is president and Sam A. Ransdell of Chillicothe is secretary.

The Board of Control met at 11 o'clock and took up routine matter. On the question of eligibility the Board stated its policy as contained in the constitution that it could not act or give an informal opinion on any eligibility matter.

## CHURCHES JOIN HANDS IN WELCOMING NEW STUDENTS

All of the College Sunday School classes joined hands in welcoming the new students with a reception Thursday night given in the parlors of the First Methodist church. The party was given in the form of a "press party."

The guests were divided into groups, each group representing some phase of a newspaper, such as the sport page, household hints section, and the society column.

Punch and wafers were served from two tables.

## Forty Bearcats Out to Vie For Varsity Eleven

Coaches Lawrence and Jones Are Whipping Squad Into Form—Ten Letter Men Back With Promising New Material—First Home Game With Peru, Neb., On Oct. 9.

**The Bearcat Schedule**  
Oct. 2—Highland (Kans.) College there.  
Oct. 9—Peru (Neb.) Normal here.  
Oct. 16—Kirkville S. T. C. here (Homecoming game).  
Oct. 23—Omaha University here.  
Oct. 29—Cape Girardeau there.  
Nov. 6—Warrensburg there.  
Nov. 13—Springfield here.  
Nov. 20—Buena Vista College at Storm Lake, Iowa.  
Thanksgiving—Tarkio College, there.

Forty candidates for football honors at S. T. C. have been going through 2-hour workouts daily for the last week under the supervision of Coaches Lawrence and Jones. This week finds them with the rough edges worn off, sufficiently advanced in the fundamentals of the game to finish each workout with a half hour of serimmage.

With ten letter men from last season's team forming a nucleus of a new team and many new high school stars from Northwest Missouri plus the most enthusiasm and pep ever shown by a Bearcat squad, chances appear bright for a good eleven. Captain England with a display of fight and pep, Stone, Moentmann, Hartman, and Fouts, letter men of last year's line, displaying the same spirit, make up the same impregnable line that defended the Bears' goal line last season. Cox, Lewis, Wyman, Westfall, and Epperson are promising material that is making the competition keen for the guard and tackle positions. At center, Graham of Trenton and Stitt of Pattonburg are furnishing their share of the enthusiasm and pep displayed by the whole team, fighting to see who is to take the place of Bush, the center of last year. For the end position, Berst and Joy are very promising material.

Every backfield letter man from the last year's team is on the field this year, fighting to retain his position against new material that looks very promising. Search, H. England, Wilson, O'Banion, Miller, Chick and Keith are among those who are making the letter men of last year fight to hold their places.

From now on the gridiron will be a scene of much hustling football industry as Coaches Lawrence and Jones whip the men into shape for the opening game with Highland, Kansas, fifteen day off.

The schedule promises the local fans as well as the S. T. C. football enthusiasts some good clean well played games this fall with Springfield expected to bring the large crowd of the season. The Kirkville game points to a very interesting one because the tie for championship of the conference last year was between Maryville and Kirkville. A special train may accompany the Bearcat eleven to Warrensburg, taking with it the loyal supporters of the College and the town.

The first meeting of the M. Club for this year was held last Monday upon the call of its president, Ray Blomfield. As the officers for the club were elected last year only one election was necessary that being Paul Stone, treasurer, to succeed Denton Peoples, who is not in school this year. J. E. Pierpont was named Courier reporter.

The president was authorized to appoint a committee to have charge of supervising the furnishing of the M. Club room in the new gymnasium. The members of the club feel that they will be able to accomplish some real work this year and are expecting the support of the entire school.

**"LIGHTNIN"**  
A large crowd attended the showing of "Lightnin'" Friday and Saturday nights in the College auditorium. Many favorable comments were heard on the picture, especially by those who had seen the play on the stage. The leading parts were taken by Jay Hunt, Madge Bellamy, Ethel Clayton, and J. Farrell McDonald.

The next picture to be shown at the College is the famous colored picture, "The Ten Commandments," on October 8, 9, and 10.

## School Agog With Politics As Candidates Enter Final Polling

Blomfield Led Rising By 61 Votes for Student President In Friday's Primary—England Trained Cook By 20 Votes for Vice-President—300 Students Failed to Vote In Primary So It Will Be Anybody's Election Wednesday With a Full Vote Out—Qualifications of Candidates Told By Respective Supporters.

By virtue of their victories in the primary election Friday, Ray Blomfield and C. E. Rising go into the general election Wednesday as candidates for president of the Student Council. Blomfield received 225 votes and Rising polled 164.

For vice-president Roberta Cook and Dorothy England become opposing candidates in the final poll after having received the highest votes in Friday's primary. Cook received 204 votes and England received 184 votes.

A total of 389 votes was cast in the primary. Almost 300 students failed to vote as there are 658 students eligible to vote. Sixty-one votes separated the presidential candidates and only twenty votes separated the candidates for vice-president. It will be anybody's election Wednesday if the full vote of the College is gotten out.

Much interest has been taken so far and more is anticipated by the time the polls open Wednesday. Members of Mr. Foster's class in "Citizenship" will act as election judges.

In keeping with its past policy the Courier has opened its columns to spokesmen for the respective candidates. Below we present the achievements and qualifications of each candidate as written by their supporters.

**For President**  
**Ray Blomfield**  
(By Evelyn Raines)

An efficient, capable student president must have had a wide experience in all lines of student activity. Outstanding scholarship is essential, but in itself insufficient. Athletic fame is an asset but alone it is inadequate. Friendliness and sociability are necessary yet they do not make efficiency. The successful officer must have executive ability, but this is useless unless he possesses the tools and the personality with which to exercise that ability.

In looking over the student body I have found the man who successfully combines all of these qualities which are essential to a good executive—Ray Blomfield.

As an assistant business manager of the 1925 Tower, as treasurer of the junior class, as junior representative of the Council, as president of the M. Club he has proved his administrative and managerial efficiency. As a member of the Bearcat basketball team, of which he was captain during the season 1924-25 he made himself known throughout the conference as a good, clean, hard playing athlete. In victory and defeat he displayed every mark of the good sportsman.

"Abie" has worked his way through three years of college; during which time he has established a reputation with the faculty for efficient study and reliability. Among the students he is respected for his sound judgment—or as Sam England puts it—"just common horse sense."

So, fellow students, in searching for a candidate to meet all the essential requirements, to successfully uphold the ideals of our school, to insure progress and to pilot our Association through the year—Ray Blomfield is without doubt the choice of the diligent searcher.

**For Vice-President**  
**Roberta Cook**  
(By L. Bruckner)

In choosing a vice-president for our Student Council, I wish to present one who is known for her "vicariousness and versatility."

This candidate has participated actively in the Eureka Literary Society; was chosen as the representative from the Y. W. C. A. to the Student Council in '23 and '24. While a member of the Council she served successfully as secretary for one year. In 1924 she was chosen as a delegate to represent the Sunday School Council at Lake Geneva, Wisconsin.

In scholarship this candidate is outstanding. She is not only developed religiously, socially, and mentally but also physically. She is a member of the famous and unconquered Kitty-Oat basketball team. As a member of the Women's Athletic Association she has been awarded certain letters and medals which can be won only by high scholarship and good sportsmanship. Should we neglect to support Roberta Cook?

Mary Riggs is teaching in the Hamilton school, Kansas City.

For President  
C. E. Rising  
(By David Nicholson)

In choosing the candidate of his choice the careful student will consider seriously the qualities of leadership, studentship and personality which the president of our Student Association should possess. Clarence Rising is in every way qualified and worthy of the trust we would place in his keeping.

Through service he has proven himself a competent, dependable leader; a man of matured judgment; a thinker, superior in intellect. Being a member of the Senior Class and the Council representative of the Eureka Literary Society he is experienced both as a student and as a representative of students. Rising is not one to be controlled by a small minority but is at all times ready to listen to the voice of any individual or group. He is one who is putting forth an honest, sincere effort to make the college life in S. T. C. the very best possible. "The four-fold life for every student" is his goal. To realize this he stands ready to co-operate with every organization in the college which has as its purpose the betterment of student life. Let JUDGMENT, SPORTSMANSHIP, IDEALS determine your vote.

**For Vice-President**  
**Dorothy England**  
(By David Max)

The office of vice-president of the Student Council is an important office, for the vice-president is an active and voting member of the Council. There will be a great many questions to decide in the Council this year—questions of great importance to the school and student body. We students want a person for vice-president who will meet these questions squarely and honestly. We want a vice-president who will stand for no clique nor clan, but for the whole student body. We want a student for our vice-president who has accomplished things; who has worked in organizations, and who is heart and soul for S. T. C. We want for our vice-president one who sees in the office not a chance for personal glory and honor, but a chance to serve the entire student body.

The person that best meets all of these requirements is Dorothy England. Miss England will stand for what she thinks is right. She is filled with a spirit of love and enthusiasm for S. T. C. She has had a great deal of experience with organizations and school activities for she is a member of the Y. W. C. A., the Eureka Literary Society, the Chorus, and the Dramatic Club. She has been a member of the Cabinet of Y. W. O. A. since her entry in school, and was president of the Y. W. C. A. last year. Miss England has also gained much practical experience from her work in the library. In the performance of all her tasks and duties, Miss England has shown rare ability and honesty. Above all Miss England is a cheerful person with a charming personality. She will make a vice-president of whom we can be proud. So let us as students and lovers of S. T. C. help make our college a stronger and better institution by electing as vice-president of the Student Council this able young woman, Dorothy England.

The enrollment of the demonstration school has jumped from fifteen last year to fifty this year. Eighteen of this number are children from the Garrettsville school, which was the demonstration rural school last year.

The children are transported to and from school each day by the college bus. The demonstration school is being conducted this year on the alternation plan of Missouri. There are two rural schools in the college building, in rooms 124 and 126, having twelve teachers and four teachers of special subjects.

Miss Keith believes that their work is starting off in good shape.

Mary Riggs is teaching in the Hamilton school, Kansas City.

EDITH A. BARNARD, Dean of Women  
W. A. RICKENBRODE, Registrar.

### COLLEGE OATH.

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

### Starting Another Year

This issue marks the beginning of the twelfth year for the Green and White Courier. During this time it has undergone many changes. Under the direction of efficient and far-sighted editors it has enjoyed steady and substantial growth.

The Courier of today holds a high position in Missouri journalism and ranks well with the leaders of college publications in the Middle West. Last year it published 90,635 copies, an average weekly circulation of about 2500. This year its average weekly circulation will be in excess of 4,000 copies. Plans are now well under way to have every high school in Northwest Missouri to act as correspondent for the Courier and to contribute regularly the news of interest in each school. This plan will include the publication each week of the results of high school athletic contests, debates, and literary and music activities. The Northwest Missouri High School Association has designated the Courier as its official organ and the Courier will strive to render the maximum service to the Association.

The staff and management of the Courier have pledged their best efforts to make the Courier an outstanding paper. With the help and co-operation of the College student body and the schools of Northwest Missouri this goal can be reached. This is your paper and its future will be governed by your support and co-operation. We are counting on you.

### Did You Vote?

Did you vote Friday? If you didn't, don't admit it to anyone but yourself and clear your civic conscience by voting this week. The salvation and success of student government rests solely upon the student body and its ability to vote intelligently and for the best interests of the school. It is reasonable to assume that you will not shoulder civic responsibility after College if you fail to assume your responsibility as a member of the Student Association. You owe it to yourself and to your College to vote at every student election and to vote intelligently on the candidate and policies that come before you at election time.

Why not like an old English sundial which says: "Let others tell of rain and showers. I only record the sunny hours."

### Sing The Alma Mater

Just a hint to the freshman. Learn the Alma Mater. Learn every word and every verse. Alma Mater means much in tradition. It means much to every alumnus. It means much to every athlete who has given his best on the gridiron, basketball court or track field. It means much to those who have labored for S. T. C. in debate and literary contests.

Its notes and words strike a tender spot in the heart of every old student. Alma Mater and those things for which it stands is deserving of your most devout reverence.

Speaking of the Alma Mater, why wouldn't it be a good idea to close chapel each week by singing it. Let the seniors lead it off.

Just a word of caution to motoring students—to avoid that run-down feeling, "Cross Crossings Cautiously." The same might apply to pedestrians at street intersections.

It isn't how much we know that counts, but how much we do and how we do it. Let's get busy and do things.

If you find a horseshoe these days you are lucky.

### Max—Kreighbaum

Miss Alpha Max, a former S. T. C. student, was married August 19, 1925 at the home of her parents, Mr. and Mrs. David Max, of Rosendale, to Mr. Lawrence Kreighbaum of San Pedro, Calif. Mr. Kreighbaum teaches manual training in the high school at Phoenix, Arizona.

### Davidson—Yeisley

Miss Pearl Davidson and W. Cole Yeisley, both of Barnard, were married in Savannah on August 1. Mr. Yeisley, who took his B. S. degree last year, is high school principal at Pickering this year.

### Tarpley—Roach

Miss Edna Tarpley and Gordon Roach both of Maryville, were married August 16 at Troy, Kansas. Both are attending school here this quarter.

### Peoples—Adams

Miss Freda Peoples of Skidmore and Jasper Adams of Garden City, Kansas were married in Skidmore on August 2. Miss Peoples is a former student and has taught in Mound City for the past four years.

### Culp—Swanson

Miss Daurice Culp, a former S. T. C. student from Albany, and Charles E. Swanson of Los Angeles, were married August 7 in Palisadena, California.

Eunice Williams, a former student is taking a nurses training course at St. Joseph's Hospital, Kansas City, Mo.

### Myrtle Tree Now A Demonstration School

The Myrtle Tree rural school, seven miles northeast of Maryville, is being used by the college as a demonstration school.

The teacher, Miss Grace Petty, is employed jointly by the college and the district. This school is used for observation, demonstration, and practice teaching.

The practice teaching is conducted on a different plan. Two students spend one-half quarter residence in the

district, participating in the management of the school and also entering into the social and recreational activities of the community.

In this manner, it is expected that student teachers will have participated under supervision, in every phase of the work that the rural school teacher would be expected to do.

### Miss Dvorak's Violin Rare Old Instrument

Violins are especially interesting when they have a history. The violin used by Miss Dvorak is a Guarnerius given to her by a wealthy Chicago broker. The incident took place at Miss Dvorak's debut recital in Chicago, where this person was in the audience. The instrument has been in one family for three generations, and was used by the respective members of this family in the Symphony Orchestra in Berlin. It bears the date 1740.

### FRESHMEN PROBLEMS COURSE GIVEN FOR THE NEW GIRLS

Every Freshman woman in the College is expected to attend the course in "Freshman Problems," given by Dean Barnard. President Lamkin announced this week. The A to M section meets at 11 o'clock on Thursdays and the N to Z group will meet at 3:20 on the same day. These meetings will be held in room 327.

## Boost For Clean Student Government

Every eligible voter of the Student Association should cast his vote, and do everything within his power to keep student government free from minority control and from petty factionalism.

### Why Rising?

A vote for Rising means a vote for a candidate who is truly representative of the entire school and whose work will always be for the school as a whole.

### As a Student

Rising is an outstanding student in his class. His scholarship is far above the average.

### His Contributions

Rising has given generously of his time to the school's activities. He is past president of a literary society, a member of the Social Science Club, the Y. M. C. A., and the Debate Club. He is an ardent supporter of religious, literary, social, and athletic activities.

### Freshmen

Rising is a true friend of the Freshman class. His record on the Council is evidence of this fact. Freshmen, without a representative on the Council can look to Clarence Rising to zealously guard their every interest.

### England

An Ideal Running Mate.

Dorothy England is an ideal running mate. True, loyal, plain, every-day Dorothy. Who has more friends and less enemies than she? Who is better qualified and more deserving of student office than she?

## LOST

Strayed or Stolen

Have you heard the distressing news? To break it gently—she isn't in school this quarter. Only the staff has missed her so far but as our hundreds of Courier readers scan this first issue in vain they will discover the Stroller is A. W. O. L. To tell you the truth that is the reason we didn't publish a paper last week for we thought she might be late in enrolling.

Members of the staff have advanced many different opinions as to her whereabouts but without a tangible clue. Perhaps she heard the same thing that President Lamkin did about its being hard to make grades here and she bent it for Kirksville or Warrensburg. Perhaps she took that fatal step—but we didn't see her name in Cupid's column. Maybe she is hard up and couldn't raise the extra two-fifty for the activity fee. (We could have told her that her ice book would have done just as well.)

It's too late to expect her now for it would cost her two-fifty extra for late registration. And she would want to change her course as she always does and there's two dollars more. An education sure costs money doesn't it?

Some say not to give up hope for you never can tell what's liable to turn up. But just the same we ought to be keeping our eyes open for a "Peeping Tom" to take her place.

## V. Berg Elected To Head Newman Club

Tuesday, September 15, the Newman Club held the first meeting of the fall quarter. The purpose of the meeting was to take in all new members and to elect officers for the year. The result of the election was: President, Veronica Berg; vice-president, Joe Graves; treasurer, Edna Sturm; secretary, Dorothy Busby and reporter, Margaret Quinlan. Members of the various committees are as follows:

Entertainment committee—Carlos Yehle, Della Behm, Mario Farnan and William Shriver.

House committee—Lola O'Day, Edna Sturm, Margaret Quinlan, and Miss Sweeney.

Courtesy committee—Margaret Frank, Lawrence Sherlock, Kathryn Shaffer, Miss McEnery.

Social committee—Dorothy Busby, Margaret Riley, Joe Graves, and Carl Rankin.

## First S.T.C. Student Council Was In 1910

Mr. Cook, in Assembly Talk, Tells of Organizing First Student Governing Body Here—Miss Anthony Was Prime Mover.

The first Student Council of this College was organized in 1910 under the presidency of Dr. Taylor. Mr. Cook told the student body in his talk at assembly last Wednesday. This council was organized upon the suggestion of Miss Anthony, now head of the home economics department. Since that time the Council has grown and developed into an influential factor in College life.

The student body, through its chosen representatives on the Student Council, has a well-defined function to perform, declared Mr. Cook. Mr. Cook stated that in the past there had been some doubt in his mind as to the wisdom of self-government but told the students they could remove that doubt by careful observance of the constitution and practice of the institution, and by the

selection of officers who would blaze the way for successful self-government. Mr. Cook reminded the students of the anxiety felt for their welfare back home and urged upon them the necessity of conscientious work and right living.

In his opening remarks Mr. Cook paid high tribute to Dean Colbert who has been a member of the faculty since the first session of the school in 1906 and who has "devoted a score of years of his life in making this a better school." In 1908, he and Mr. Rickenbrode joined the faculty and the following year, Miss Anthony began work here. In 1909 Miss Helwig and Miss Hopkins joined the faculty.

## Thomas Lawrence Is Head of H. S. Students

Lois May Dukan was elected president of the high school students of the College at their first meeting, Thursday, Sept. 11. The other officers elected were: vice president, Thomas Lawrence; secretary-treasurer, Pauline Hall; sergeant-at-arms, Milan Shell; Courier reporter, Eugene Clark.

A program committee composed of Pauline Hall, Jake Shamberger, Francis Shell and Ruby Norris was elected. Four student activity clubs will be organized among the high school students this term. They will be music, dramatics, art, and athletics.

Classes in gymnastics for all high school students will be conducted at 8 o'clock. Mr. Jones will have charge of

the boys and Miss Manley will have charge of the girls.

The high school department met Friday to organize an orchestra.

A program was given at a meeting held Thursday afternoon. Advice to the new students was among the features.

The following program was given: Piano solo—Thelma Jackson. Reading—Bill Lamkin. Vocal solo—Paul Neal. Talk to new students—Eugene Clark. Trio—Pauline Hall, Hazel Carr and Frances Shell. Piano solo—Lucile Duncan.

## See The Pretty Green Caps On Verdant Frosh

Student Council Grants Freshmen "Privilege" of Wearing Headgear To Properly Designate Their Mental Attainment—Girls Enter Spirit of Ruling and Don the New Bonnets.

"By their caps ye shall know them." At last the freshmen have been properly recognized—and designated. The Student Council has granted them the privilege of wearing a becoming green cap with a white button, from Monday, Sept. 14 until Thanksgiving. It is not known whether or not the freshmen petitioned for this privilege. On the other hand the Council has intimated that failure on the part of any freshman man to wear the Council cap will be looked upon with disfavor by the student body.

The freshmen girls are not required to wear the caps although it is suggested that they prominently display the College colors and many of them are wearing the cap in the spirit of the ruling.

The original draft of the ruling prescribed that every freshman must "button" to an upper-classman on demand but this clause was stricken from the ruling and announced at assembly Wednesday.

## 125 New Girls Partake Of Y.W.C.A. Hospitality

The Y. W. C. A. did their share in wiping that "home-sick look" from the faces of 125 new girls last Tuesday night.

All the "big sisters", that is the girls who had been here in school before, brought their "little sisters", the new girls, to the college library at 7:30 where a continuous receiving line enabled each girl to meet every other girl.

Miss Manley and Mildred New conducted several games and Dorothy England led all the girls in singing "novelty" songs.

Alyce Allen, the president of the organization, invited all the college

women to the Y. W. C. A. Meetings. Ice cream cones were served. Fifty-two girls meet in Room 122 Tuesday morning for the first meeting of the Y. W. C. A.

Elizabeth Mills conducted a "Sing."

Dorothy England talked on "What the Y. W. C. A. means to a College Girl." She said in brief—"The Y. W. C. A. make a girl's life fuller, more well-balanced. It develops a four-fold life, that is, increasing one physically, socially,

mentally, and spiritually. She gave for example that the more sides we have to our lives the nearer we approach the circle—the perfect." Thirty-eight girls signed the pledge cards.
